For sales to businesses and consumers in the UK, the standard rate of UK VAT will be charged.

For sales to registered businesses in the EU, the sale of service is subject to the reverse charge mechanism and VAT Act 1994 Section 55A applies.

For sales to consumers in the EU the appropriate rate of local VAT will be charged.

For sales to the US, the supply of service is outside the scope of UK VAT but may be subject to local state sales taxes for both consumers and businesses as appropriate. Businesses with a sales tax exemption certificate should contact the vendor directly

For sales to other jurisdictions, local sales taxes may apply if Stability AI Ltd is registered
